

# Before and After Care Registration Form 2018-19

Before Care is available Monday-Thursday starting at 7:00am for \$7 per morning. After Care is available Monday-Thursday until 6:00pm for \$9 per evening. The fee is the same whether you use 15 minutes or the entire time. Please use the calendar below to let us know which day(s) you will need either Before and/or After Care.

This program is a "pay in advance" program. You will be charged for the days you request at the beginning of the month. Please understand that if you request this service, but do not use it, you will still be charged because we still need to pay the teacher that we have scheduled to be here.

You may add an unscheduled morning or afternoon for the above fees by giving the teacher a 1 week notice. Services may be available in a pinch if a teacher is available. The fee for last minute arrangements is \$12 per session.

If you know what days of the week you will be using Before and/or After Care, please fill it out below. Otherwise you will be given a calendar at the end of each month to file out for the following month.

**Before and after care is only available on days the preschool is in operation. There must be four students in order for this program to run.**
