DIGGING DEEPER

DISCUSSION/REFLECTION

1. Share a story about how you watched Christ love someone through you.
2. (Read Acts 1:6-11) What did Jesus instruct the disciples to do? What was their immediate reaction?
3. Pastor Mark talked about how we need to be present wherever we are. How can you be more present wherever you find yourself? How can you prepare for these moments when God calls you into a conversation?
4. (Read John 16:7) Why is it good that Jesus left the disciples? What is the promise that Jesus gave to all believers in this verse?
5. (Read Acts 1:14) What did the disciples do as they prepared to follow Jesus' instructions to go?
6. Pastor Mark talked about how we need to be perceptive. Things aren't always as they seem to be. How can we be better prepared to care and serve others? What are you going to do to display God's love for others through #4theville?
7. Everyone was given a red dot to remind us that this is where we are: Where did you place your red dot? Why is this significant?

PRAY

Thank God for choosing to use you as a vital part of His mission to reach the world. Ask that the Holy Spirit would give you boldness, courage, and wisdom as you try to be intentional in loving on others. Pray for the people that you will encounter this week, and that God would give you eyes to see.
