DIGGING DEEPER:

1. Think about the last time you “encountered” God. What was that experience like for you? What were your thoughts and feelings in that moment?

2. Have you ever intentionally sought an encounter with God in your everyday life? What did you do?

3. How would you live your life differently if you knew you could encounter God everyday of your life?

4. In what way do you need to seek God today? Through your worship, through prayer, through Scripture, or through serving someone?

NEXT STEPS:

- I will spend more time in prayer and worship.
- I will be more intentional about seeking God in my everyday life.
