

## “Burn the Plow”

1 Kings 19:19-21, Luke 5:1-11,  
Philippians 3:13-14

When we \_\_\_\_\_...we \_\_\_\_\_.

When we are willing to \_\_\_\_\_ that are behind us and go \_\_\_\_\_ with the battles that are ahead of us God shows up!

And as soon as they landed, they left \_\_\_\_\_ and followed \_\_\_\_\_.

“God is always preparing us \_\_\_\_\_ for what He has planned for us \_\_\_\_\_.”

You are only \_\_\_\_\_ away from a totally different life. Even a 1 percent change, given enough time, can make a \_\_\_\_\_ difference in your life.

“Going all out for God isn’t just about getting where God wants you to go. It’s about who you become in the process. It isn’t about how fast you travel. It is about going the distance. It is about crossing the finish line.” -Mark Batterson

### Next Steps

- Step into the conflict without knowing if we can resolve it.
- Share our faith without knowing how our friends will react to it.
- Pray for a miracle without knowing how God will answer.
- Put ourselves in a situation that activates a spiritual gift we’ve never exercised before.
- Go after a dream that is destined to fail without divine intervention.
