

DEAR PARENTS,

Please visit our website at Fowlervilleub.org and choose Child Dedication in the top navigation bar or listen on our App by going to More to access the parenting talk mp3. As you listen to the Parenting Talk, we would like for you to do a little homework! Nothing too tough, we promise. After listening, take some time to dream a little and imagine what your child will be like in 18 years. Then, use the card provided and write a letter to your 18-year-old child. You don't have to be a professional author, just write from your heart.

Three weeks prior to the event, call or email me to schedule a pre celebration meeting. We'll need about 30 minutes to chat about your homework, the church's goal to walk with you and the celebration day's schedule. Also, be sure to send the church office a photo of your child one week before dedication. We want everyone to see their adorable face during the ceremony.

If you have any questions, please don't hesitate to call us. We are so thrilled to walk this parenting journey with you.
